## COVER LETTER

Dear Mr. Mangal:

This letter & filing is a follow-up to, and the second part of, the previous filing of 01-25-08, which is in reply to your Office Action of July 25 2007, and includes the three new "system" Claims to complement the three amended "method" Claims of the previous filing. It also includes the Amended Drawings, and Brief Description of the Drawings, that correspond to the amended Detailed Description resulting from the incorporation into the Specification of the previously non-compliant Appendix A of the original application. The amendments are responsive to the issues raised in your communication.

Thank you for your consideration.

Respectfully,

A handwritten signature in dark ink, appearing to read 'G.C. Berkowitz', is written over a horizontal line.
